Mental Health

## Short-Doyle Medi-Cal 5010 Trading Partner Companion Guide Walk Through

### Training Purpose

- Review the SD2 5010 Project Objectives and Timeline
- Review the High Level 4010 to 5010 changes
- Provide a detailed Walk-Through of 5010 Companion Guide Instruction Table (section 3) including the Segments and Elements necessary to pass SD2 adjudication
- Provide a Walk-Through of 5010 Companion Guide TI Business Scenarios (section 4)
- Provide a Question and Answer Period

**NOTE:** that claim testing approaches and national code sets review are not included in this training.

### Training Prerequisites:

To make the best use of time for all attendees, please have read the companion guides prior to the training. Also, a familiarity with the standards is needed to better understand the SD2 5010 changes.

### Training Preparation Notes:

- Please sign-in
- Cafeteria is available on location
- Box-Lunch – (morning order taken)
- Will provide a map to the Training Facility and Parking Lot (Parking is Free)
- DHCS will post out a Presentation before the training on the ITWS
- Please fill out the training evaluation form before leaving the training
- Questions will be documented and answers will be posted on ITWS
