Subject: CDCR-Div of Correctional Health Care Services, Announcement of Upcoming Web Meetings-- Post Release Community Supervision

Importance: High

YOU ARE INVITED TO OUR PRCS WEB MEETINGS!

CDCR will be hosting 2 Webinars for County Mental Health Departments and County Probation Departments~

1st on Monday, Nov 14th, from 3:00 to 4:30pm.

2nd on Friday, Nov 18th, from 10:00 to 11:30am.

Sharon Aungst, the Director of the Division of Correctional Health Care Services, will be the facilitator for these Web meetings.

These meetings are offered on two different dates and times to accommodate your busy schedules. The purpose of each meeting is to discuss the PRCS MH Guidebook, Post Release Community Supervision – Release Planning for Mental Health, Version 1 (9/29/2011). The PRCS MH Guidebook (v1) is available on the CDCR Internet. Here is the link to this information: <http://www.cdcr.ca.gov/realignment/docs/PRCS-mental-health-info.pdf>.

Besides discussing the processes and directions outlined in the PRCS Guidebook, this meeting will give you an opportunity to:

- 1) Provide Feedback
- 2) Ask Questions
- 3) Identify issues and concerns you have encountered that we need to address.

Please Note: You are invited to provide input prior to the Webinar by emailing your PRCS question or concern to the CDCR AB 109 Mailbox at AB109MHDentalHelp@cdcr.ca.gov.

Directions for logging into the Webinar:

- 1) Log into the webinar website (write this in your address line) – <https://www.teleconference.att.com/servlet/AWMlogin>.
- 2) Enter the 10-digit meeting number (into “Meeting Number” box) – **866-249-5325**.
- 3) Enter the participant code (into the “Code” box) – **403016**.
- 4) Enter your complete email address (into the “Email Address” box).
- 5) Enter your first and last name (into the “Enter Your Name” box).
- 6) Click the “SUBMIT” button (located right next to the box with your name)—this will take you to the meeting (on your computer).
- 7) Now, you need to join the teleconference (audio part by dialing the SAME 2 numbers into your phone).
- 8) Dial the 10-digit meeting number on your phone (at the CDCR, we have to dial a “9” and a “1” first for the outside line & outside area code).
- 9) Enter the participant code into the phone when prompted to by AT&T (Note: this also is the same code you entered into the computer).
- 10) You will now be able to “see” and “hear” the contents of the WebX meeting.

The WebX meeting participant directions from AT&T are attached, and you can see a picture of the AT&T Web Meeting login screen there. If you have not attended a web meeting before on your computer, AT&T suggests that you try their log in screen at their site at least once before the meeting date to be assured that your computer will connect to the WebX meeting properly; if not, please ask for assistance from your IT administrator or help desk.

Thank you and we hope you will participate!

Regards,

Pam
