

## CMHDA 2010-11 Committee Accomplishments and Proposed Priorities Worksheet

Dear CMHDA Committees,

Each year CMHDA committees are asked to identify their accomplishments and priorities to assist us in evaluating the effectiveness of our work and to help define our workload priorities for the upcoming year. We review these accomplishments and priorities at our annual Governing Board Strategic Planning Meeting in November each year. The key policy issues identified last year were:

- 1) MHSA
- 2) Medi-Cal
- 3) Community Correctional
- 4) Public Relations
- 5) Special Education (AB 3632)

In preparation for the 2010 Governing Board Strategic Planning Meeting we have added a sixth item to the key policy issues:

- 6) Healthcare Reform/ MH Parity

CMHDA is asking each committee to complete the attached 2010-11 Committee Accomplishments and Proposed Priorities Worksheet.

### **Instructions**

Please list your top 5 “Accomplishments” for 09-10 and then using the six Key Policy Issues\* as a guideline, list your top 5 “Proposed Priorities” for 10-11.
