and care for the future

Who is Providence?

Formed in 1997, Providence Service Corporation is an innovative provider of mental health services offering a wide variety of programs across the country; all of which share a primary commitment to provide care that builds upon participants' strengths and responds to their concerns.

Providence specializes in counseling and supportive services in home and community-based settings, and our mission is to ensure the provision of accessible, effective, and high-quality community-based counseling and social services as an alternative to traditional institutional care. Providence is dedicated to ensuring that all patients have access to professional community-based care, proven treatment methods, and comprehensive service planning.

Our Mission

Working as partners with our members, the Oasis Clubhouse provides a safe, positive, and dynamic environment where Transition Age Youth (TAY) can learn valuable skills, give and receive support, connect with peers who have similar life experiences, and have fun!

The Oasis Clubhouse is member-run, and members are supported in identifying and utilizing individual strengths, talents, abilities, and interests. The Oasis Clubhouse is a “hate-free zone” where diversity is celebrated and valued. Our members are expected to respect self and others, and all members are encouraged to mentor one another and to “give back” to their community. Utilizing recovery values and peer support, the members and staff work side by side to foster skill development, mental wellness, enhance social support and build a brighter future. Remember, the Oasis Clubhouse is here for YOU!

“ONE OF THE SECRETS OF LIFE IS TO MAKING STEPPING STONES OUT OF STUMBLING BLOCKS.”

- Jack Penn
